### Attestation of a tutorship at the Johannes Gutenberg University of Mainz

Dr. Alberto Corbí Bellot has participated in the first year beginners course in experimental Physics (Mechanics, Optics, Heat, Electromagnetism) Physics I and Physics II in the department of Physics at the Johannes Gutenberg University Mainz. He has worked in the winter term 2002/2003 and the summer term 2003 as a tutor in a problem-solving class under the supervision of Prof. Dr. Th. Walcher and Dr. M. Distler. The typical attendance is 15 students, his work load was 2 x 45 minutes per week for a 6 months period.

  
Prof. Dr. Frank Maas
